NCS

2021 IMPACT REPORT

BE EPIC

A YOUTH PROGRAMME LIKE NO OTHER

Designed specially for 16 and 17 year olds, the NCS experience is aimed at challenging young people, giving them the confidence to make new friends, learn new skills and provide a platform to use young people's passions to support the local community.

Shrewsbury Town in the Community pride ourselves on providing the best possible NCS experience for every young person in Shropshire and has the track record to prove it. No matter what the young persons ambitions, the NCS programme at STitC is catered for everyone.

Over 4,500 young people have taken part in NCS activity since 2014 and this will continue to grow.

"NCS has really changed my life and made me a better person. I have been able to create new lifelong friendships and develop new skills that I can take into my future. Without NCS I would have not have had the confidence to go to college" **– Millie Holloway – NCS Graduate**

MEET THE TEAM

CALVIN LATHAM
NCS Delivery Manager

Calvin has been with the Shrewsbury Town NCS team since 2018 and is the NCS Manager. He is responsible for the management of the NCS programme in Shrewsbury.

ANNA WILLIAMS
NCS Coordinator

Anna has been with the Shrewsbury Town NCS team since 2018. She is our main NCS Coordinator and is responsible for the coordination and organisation of the NCS programme in Shrewsbury.

HELEN EVANS
NCS Coordinator

Helen has just joined the Shrewsbury Town NCS team. She has lots of NCS experience and will be recruiting and coordinating young people for our NCS programme.

JORDAN DAVIES
NCS Delivery Officer

Jordan is new to the Shrewsbury Town NCS Core team, but is a veteran of the Shrewsbury NCS programme with completing over 8 waves. He will be taking lead on delivery and our Local Action Group.

SUMMMER '21 ROUND UP

Doing a variety of amazing opportunities, from adventurous activities, university experiences getting behind the wheel of a car and even making mocktails, NCS at Shrewsbury Town in the Community caters for a whole range of interests.

This is all made possible through the dedication and passion of the NCS core team and seasonal staff who support the young people throughout their NCS journey. NCS helps to bolster Social Cohesion, Social Mobility and Social Engagement amongst the younger generation to support the creation of an empowered and understanding society.

This impact report is proof of the amazing work that takes place all year round to provide the best possible NCS experience for the young people of Shropshire.

💙💛 NCS TRANSFORM SUPERBLUES WAY |

Over the past week, two of our NCS teams have been busy fundraising to renovate the underpass on our Superblues way.

With hard work and dedication our NCS team were able to have the project finished and ready for the return of fans for the first game of the season!👌

An employee at Sainsbury's commented:
"I used to be afraid of walking through the underpass late at night after work... But now, I feel so much safer"

The hard work of our NCS teams have made it a focal point of the club's connection with the community, once again!

📷| Take a look at the incredible transformation.

#THANKFULTHURSDAY 🙌🐾

We had a visit from NCS last week and they raised over £300 to go on a huge shopping spree for the dogs. They bought various treats, toys and tinned meats ready to donate!

A huge thank you to all for their generous donations 🙏💛 @DogsTrust @NCS

Mount House and Severn View (Shrewsbury)
15 July ·

A massive thank you to NCS shrewsbury who brought a team of volunteers to Mount House this morning. They were armed with flowers, plants and equipment to do some gardening work. They were so fantastic they got the garden ready for our beach day tomorrow! Thanks all for your help, the residents love seeing you and we hope you enjoy your summer! ❤️💙

SKILLS BOOSTER ROUND UP

'Skills Booster' forms part of the NCS FE and schools support. Launched last year, the programme has already supported over 500 schools and benefited more than 80,000 students across England.

NCS new curriculum resources will focus on personal development, volunteering and social action, ensuring that all students from mainstream and non-mainstream settings are supported to be 'world-ready and work-ready', aligning with the Government's focus on employability and the 'levelling-up' agenda

Through Skills Booster sessions we have now worked with 24 mainstream schools across Shropshire putting STitC in the heart of local education.

"The support provided to the students is a huge help to the team goal here at Lakelands Academy as sometimes we don't get chance to see all of our students so having that extra help through NCS is amazing for us and the students"
